Whilst the concept of frozen grapes is something a few people fail to understand, the idea is simple. A frozen grape has a refreshing and cleansing affect whilst eating cheese. Simply allow to defrost on the tongue in between your cheese selection. The sweetness of the grape assists the digestion of the cheese.

Please note that we do not serve fast food, just food as fast as we can. All our dishes are prepared with fresh ingredients and will therefore take time to cook. If time is an issue, please inform our staff. To the best of our knowledge, none of our dishes contain GM food. If you have any allergies, please let our staff know. Gratuities are left at your discretion.
