

BRANDESTON PARISH COUNCIL

Clerk: Mary Mitson-Woods 01728684026 parish.clerk@brandeston.net

7th September 2018

Dear Parishioners

At 9.45pm on Thursday 6th September 2018 the occupant of 2 The Leas in Mutton Lane was disturbed by her dog barking. From her landing window she saw a man in her drive near her garage door. He did not appear to be bothered by the dog's barking.

He walked back down the drive and appeared to be unsure whether to turn left or right out of it; eventually going left towards the street.

He was wearing a reddish jacket such as bomber jacket and lighter coloured trousers, possibly chinos. He had a full head of white hair and appeared to either have a limp or to be drunk.

Councillor Kevin Duffy, Councillor responsible for police liaison, advised the house owner to give details of the incident via the Police phone contact on 102. Councillor Duffy does not want to alarm residents but just to remind everyone to be vigilant and lock sheds and outhouses. The resident has done this and been given a reference number 103-7 sept. Please quote this if you see any further incidence and bear in mind that the resident was told by Police that she should have contacted them at the time of the incident.

If you have a neighbour who does not have access to the internet please pass this message on.

Kind regards

Mary Mitson-Woods
Clerk to Brandeston Parish Council
