Dear Countess

Thank you for your kind letter enclosing HM's address to the nation following VE Day celebrations.

In Brandeston the Parish Council, Parochial Church Council and the Village Hall Committee worked together to provide a cohesive response to the Covid 19 crisis. This included help with shopping and delivering hampers to those we felt needed to have their spirits raised.

The Queen pub converted to a shop and everybody has supported neighbours to ensure nobody came to harm.

I shall circulate your letter via our village email and place it on the notice board; I will include the text of Her Majesty's address to share with our parishioners.

Thank you, once again, for your encouragement in these difficult times.

With best wishes from us all in Brandeston

Catherine Bacon
Clerk to the Council
