## **BRANDESTON** **COUNCIL POLICE REPORT** **Date 10 / 11 / 2015**

This report has been prepared by  
PCSO 3034 HASSLER based at Framlingham Safer Neighbourhood Team.

### **CRIME UPDATE**

There have been **No** reported crimes from  
**1st of September 2015 through to 18th of October 2015.**

**In recent weeks Suffolk Constabulary has changed its crime recording and management system, this initially has made it very difficult to research recorded crime accurately for the parishes. Not wishing to supply inaccurate or misleading statistics**

**I have completed the report up to the 18<sup>th</sup> as the system changeover was from the 19<sup>th</sup> of October 2015 and will incorporate the rest of Octobers figures into the next Parish report. Should there be any recorded crime that the parish council need to be informed of urgently then of course I will contact you with it.**

### **SPEEDING**

In reference to the raised concerns about speeding, I can confirm that since the last Parish council meeting

There has been two sessions of speeding Monitoring 17/09/2015 and 08/10/2015 during this time three vehicles had been reported / dealt with for excess speed. Between the 12/10/2015 to the 1<sup>st</sup> of November No speed monitoring had been completed due to the speed gun being sent away for its annual recalibration /service. Enquiries have been made ref the Safety cam van's attendance. However this was not possible due to the road layout and ACPO set guide lines.

An SDR (Speed Detection recorder) had been requested by myself back in 2012 and present day. This should have been deployed on 10/11/2015. Data will soon follow and hopefully be available for the next Parish report.
