

The Mary Revett Trust, founded several hundred years ago by Mary Revett to provide financial assistance for young persons entering service, or a trade or occupation, and who reside in the Parish of Brandeston.

The Trust has not been functioning for several decades now, and two years ago, I, together with two others from the village, were co opted as a working party to investigate. We continue to do so, including correspondence with the Charity Commission. We have managed, together with Catherine, to find and secure the monies belonging to the Trust, which are now held by the Parish council pending the re invigorating of the Trust.

The working party hopes to soon be in a position to provide a full report and recommendations to the Parish Council, in confidence, following which it is expected that a full report will be able to be made available to parishioners.
