

# Coronavirus Support for Brandeston Residents.

## A message from the Church, Parish Council and Village Hall Committee

With the spread of the Coronavirus we are aware that villagers may have to put up with periods of isolation. You may feel alone but you're not. Your friends and neighbours are here to help you. Many of you will have your own support, but if you need any form of assistance, there are people in the village at the end of the phone ready to answer your call.

This help may involve shopping, doing an online shop, walking the dog, picking up medicine or just having a chat if you're feeling a bit lonely. Please do give them a ring and they will make sure that someone nearby can help.

The coordinators for each area of the village are:

|               |                         |        |
|---------------|-------------------------|--------|
| Riggle Street | Alison Molyneux         | 685244 |
| Mill Lane     | Helen Saxton            | 685739 |
| Friday Street | Paddy and Sarah Fielder | 685518 |
| Low Street    | Sue Thurlow             | 685673 |
| The Street    | Eve Crane               | 685893 |
| Mutton Lane   | Marion Kirton           | 684405 |
| Mutton Lane   | Mary Mitson-Woods       | 684026 |

Thank you to all these people and to the many other people who have already offered to help.

At the moment the Church is continuing to hold services, but there is no wine at communion services and there are no refreshments. We will keep you informed of any changes.

The annual parish meeting on 20<sup>th</sup> April is postponed and the meetings of the council will be held without the public present to protect both councillors and villagers.

The Village Hall and the Queen are considering what action to take and will send out more information in the coming days.
