

# 12th Night Festivities & Wassailing

Saturday, 6th January - the last day of the Christmas festivities leaving us preparing ourselves for the dull days of January and February and the darkness in Brandeston when all the Christmas lights get turned off.

The evening will start with the wassailing of village apple trees to encourage a good harvest in 2018 then on to the village hall for cider tasting from the brews made on Apple Day. There will be a sausage supper, a bar and there may even be music and dancing.

Tickets £7.50 on the door.

Do come along and join in the fun – please ring me on 685673 if you want to book places.

Happy Christmas.

Sue Thurlow
